**H29** power switches labelled, **winch, equip, log, aux or vhf**

**H29/1** (1) early **328** boats , no frame to pane green windows  
different type of 15 way connectors.

**H29/2** (2) first panels with a frame around edge  
power switches labelled, **aux, winch, equip, log**

### Notes

Panels were supplied in 7 different colour combinations, replacements panels are in the BLACK / WHITE design.

Early panels were 4 screw fixing, later ones are 6 screw fixing, all replacements are 6 screw fixing.

Panels have **vhf** legend, some early panels were supplied with **aux** legend, but with the same wiring layout.

A batch of H29 standard panels were made with green windows, but switches / wiring were as standard H29
